The Tri-Town Council is very pleased to announce the recipients of the first annual Tri-Town Council Scholarships awarded to three Masconomet students presented at Senior Class Night on June 1. The scholarship recipients were selected based on their academic performance, community service within the Tri-Towns, respect and compassion shown to peers and adults in school and community activities, having demonstrated a strong social awareness and being exemplary role models to peers.

This year's recipients are Victoria Caruso of Boxford attending St. Anslem's College where she will pursue a degree in Biology; Nicholas Emma of Middleton attending Roger Williams University School of Architecture; and Jonathan Hart of Topsfield attending the University of Delaware, College of Engineering.

"We are very pleased to start this new, local scholarship tradition with impressive recipients like Victoria, Nicholas and Jonathan," said Christine Rothman, President, Tri-Town Council Board of Directors. "We wish them much success in all of their future endeavors."
