Tri-Town Council All-Night Graduation Party

On Friday, June 3rd 273 Masconomet High School Graduating Seniors participated in Tri-Town Council's All-Night Graduation Party immediately following Commencement exercises. Members of the Class of 2011 enjoyed a fun-filled evening with their classmates first stopping at Kowloon where they enjoyed comic relief and dinner then on to laser light bowling at Town Line Lanes. The evening wrapped up with a Boston Harbor cruise aboard the Odyssey where, after dancing and some downtime they were able to watch a beautiful sunrise early Saturday morning before heading back to Masconomet. This evening capped off a significant day in their lives and will long be fondly remembered by all those who attended.

Sponsored by the Tri-Town Council, this substance-free event could not take place without the many, many people who volunteer to help make the evening a success. In what is a true gift from the community to our youth, we work together taking responsibility for the well-being of our graduating seniors keeping them safe on a night known to be high risk and providing parents of these seniors the comfort of knowing that their young adult is in good hands.

Tri-Town Council would like to acknowledge and thank the many parents of Masconomet seniors who helped plan the party and those who donated beverage and snack items for the evening. We are grateful to the parents of juniors who chaperoned the event (and yes, stayed up all night!) – their turn for a restful evening is will come next June.

On behalf of the Tri-Town Council, parents and students we would like to thank the following people for their contributions insuring the success of the evening: Pam Culver, Masconomet High School Principal, who, as always, supported our efforts and helped communicate event information to parents & students; Steve Burt, Masconomet Security Officer, who closely monitored all activities during the evening; Boxford Police officers, Lieutenant Jim Riter and Officer Kara Fitzpatrick, both with us all-night long; Alice Tierney and Kathy Graziano from Masconomet who helped with permission forms and other related activities; Masco staff including Deb D'Orazio who assisted with building use requirements; the North Reading Bus Company who donated the cost of the six busses for the event; the six bus drivers who donated their time all night long transporting the seniors safely and happily to the different venues; and to Richardson's Ice Cream for donating, again this year, six tubs of ice cream. With everyone's support, the night was a great success!

We would like to wish the Class of 2011 our best wishes in their future endeavors!
