

## Middle School Transition!

It's exciting and a little scary...for kids and parents alike.

TTC has assembled some info, tips and resources to help you and your tween transition seamlessly into Middle School.

We hope these articles and resources will help ease concerns as your child (and you) move from the small and familiar environment of elementary school to the larger, and very welcoming, regional school.

Remember, questions or concerns – [TTC](#) is here for you!
