

BE GOOD — DO GOOD

GRADES: 4-6

Fee:\$20

WEDNESDAYS: February 13, 27 and March 6, 13 Program ends at 4:30pm

Learn about opportunities to give back to the community with hands on activities! Work to support local non-profit organizations under the guidance of **Ellie Scheirey**, a senior at Masco working toward her Girl Scout Gold Award. Students will meet representatives of both the Topsfield Food Pantry and the

Community Giving Tree to learn about the valuable work done by both organizations as well as engage in activities that help them better understand the need for these organizations. Participants will then work together on projects to create blankets for the Community Giving tree and gather food for the Topsfield Food Pantry. The fee will cover material expenses for creating blankets and doing other projects/activities. There will be adult supervision. Please contact Ellie at: elliescheirey@gmail.com if you have any questions. **Min 6/Max 12**
