

APRIL 2019

Dear Parents/Guardians of Masconomet Underclassmen:

Tri-Town Council and Parents of Seniors need YOUR Help

Chaperoning the All-Night Graduation Party (Friday 5/31) for Graduating Seniors!

This annual event, (for 50+ years!) is sponsored by Tri-Town Council and planned by parents of graduating seniors. **Every year we rely on YOU, parents of underclassmen, especially parents of juniors, to volunteer to help chaperone the evening along with local police and Tri-Town Council staff.** Together we keep the graduated Seniors safe while having a great night of celebration **and** supporting the parents/guardians of the seniors who get the chance to rest easy after graduation. **Parents have consistently come through to help us – remember your teen will soon graduate too!**

We need **many** adults, **including those who have medical backgrounds**, to assist during several shifts beginning at 7:30pm on May 31st and going through 7:00am the following morning, June 1st.

The shifts are (approximately): 7:30pm-11:00pm (on-site at Masco), 9:30pm-2:30am, 1:30am-7:00am and all night – 9:30pm-7:00am. **We need at least 6 all night chaperones and medical professionals at all shifts.** Chaperones are needed at Masco for check in, on-site at the various venues as well as to accompany the seniors on the buses during the fun excursions throughout the night.

Please volunteer using Sign-up Genius link [here](#) (and below) and recruit a couple of your friends to do the same. It's a lot of fun to spend the time with the seniors and a great opportunity to provide an important and needed service to the community.

To volunteer, please [CLICK HERE](#) – any questions please call Lisa or Martha at the TTC office (978) 887-6512.

Thank you very much!!

Members of the 2019 All-Night Graduation Party Planning Committee and Tri-Town Council
