

CLAY SOPER MEMORIAL FUND PRESENTS

"If They Had Known"

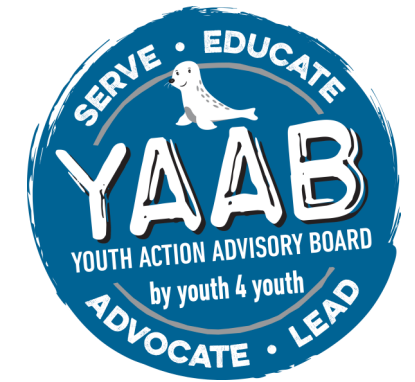

A documentary
spoken
BY kids
TO kids
about the risks
of current
party culture

They had no idea that combining prescription drugs
with alcohol could kill them or their friend.

A Shaw and Nesson Production ©2017

Join the Youth Action Advisory Board, TTC and community partners for a community screening of:

"IF THEY HAD KNOWN"

WHEN: Thursday, March 21st

WHERE: Masco Auditorium

TIME: 7—9PM

Parents of high school youth strongly encouraged to attend with their teen. Following the screening, we will discuss lessons from the film, field questions, hear from community experts and discuss how best to support youth in making healthy, safe decisions.

Screening generously funded by
The Foundation for Alcohol
Education
