

Middle School Students are invited to participate in the Tri-Town Council 2013 Youth PhotoVoice Project!

Interested? Join us after school on Friday 1/18/13 for an Introductory Meeting in the MS Library from 2:15-2:50pm.

Participants will explore themes of leadership, community, and individual strength through the use of visual and verbal messaging. Community volunteers Alex Constan (Photographer) and Edith Fenton (Writer) and Lynette Pierce—TTC Youth Program Coordinator will guide the project.

Participation requires:

This is a FREE program however, limited to 50 students. Participants need a digital camera (No camera? We can help). Project begins early February and completes in May (will meet 5-7 Friday afternoons— schedule available on 1/18).
