

TRI-TOWN COUNCIL
 working together for kids

Join Us!

Monday, March 11, 2013 from 7:30-9:30pm

You are invited to join Tri-Town Faith Partners and Community members for an evening of conversation and coffee exploring:

World Café: The principles for hosting conversations that matter.

Hosted By: The Congregational Church of Topsfield
 Emerson Center, Fellowship Hall
 9 East Common Street, Topsfield

Please RSVP by March 8, 2013 to Lisa Teichner
 lteichner@tritowncouncil.org or (978) 887-6512

The World Café training is being facilitated by Maple Street Church, Danvers. Maple Street Church embarked on this project to further their ability to engage both youth and adults in dialogue and develop in-depth conversation, especially around hard topics. In addition to a conversation starter/developer, Maple Street Church regularly uses the World Cafe Model to address and solve problems, concerns, and sensitive issues with its youth groups. This opportunity comes as a result of the existing relationship between DanversCares and the Tri-Town Council Substance Abuse Prevention Coalitions.

We hope you will join us for a wonderful evening of connections and learning!
